

ErgoServ™

ErgoServ™ Brew-In Carafes

Stanley Commercial's ErgoServ™ products combine new design solutions with the rich history of the Stanley brand. That is why all of our ErgoServ™ products are NSF Certified. We believe in setting the highest standards for all of our products - don't just take our word for it.

Our stainless steel-lined ErgoServ™ Brew-In Carafes deliver best-in-class thermal performance to protect your beverage investment. With superior FerroStat™ insulation and durable yet elegant design, the hardworking ErgoServ™ 1.9L low profile and 1.9L tall profile Brew-In Carafes are the perfect way to brew and serve coffee in style.

STANLEY®

FEATURES AND BENEFITS BREW-IN CARAFES

1.9L LOW PROFILE
